

FLUM Mixed-Use Pensacola Beach (MU-PB)

General Description:

Intended for a complementary mix of uses on the developable lands at Pensacola Beach and is designed to accommodate and encourage innovative land development types and arrangements. Residential development in the MU-PB FLUM category shall be limited to 4,128 dwelling units.

Range of Allowable Uses:

The location and distribution of uses shall generally follow the distribution of uses included in the 1988 Pensacola Beach Land Utilization Plan, which is included in Chapter 1 of the Foundation Document and Chapter 85-409, Laws of Florida. Other allowable uses include public utilities and facilities, religious and educational facilities and medical facilities. Note: Laws of Florida, Chapter 85-409, prohibits residential or commercial development of a specified parcel within this category. Further, provisions within the Land Utilization Plan provide that environmental studies be completed prior to approving any development or use of the specified parcel.

CP7:5

Standards:

Mix of uses shall be approx. 35% residential, 15% commercial/tourism (resort) and 50% open space/recreation. Also, densities may be increased, decreased or transferred on any particular parcel to provide protection to important natural resources, accommodate the provision of adequate and functional open space and the provision of a complimentary mix of recreation uses within the Pensacola Beach Community.

Site specific densities and uses will be further defined by the lease agreements for individual parcels, the 1985 Bond Validation Compromise and Settlement, and Special Acts of the legislature regarding land use, ownership and development on Pensacola Beach. However, development thresholds established by this Policy shall not be exceeded unless this Comprehensive Plan has been amended and such amendment provides for increased development thresholds.
